

Laberge Insurance Agency, Inc.

Serving people since 1955

In 1955, Robert W. Laberge, Sr. established the Robert W. Laberge, Sr. Insurance Agency. In 1974, Bill Laberge followed in his father's footsteps and opened his own agency, while in 1981, Jim joined his father's business. Ten years later, the two agencies combined forces as the Laberge Insurance Agency, Inc.

CSRs Samantha Dragon and Kirsten Leavstrom round out the Laberge team.

They review all policies regularly to make sure your protection is up to date. Call their well-trained staff for free quotes on your current or future insurance needs. Yes, they still make house calls!
